ENGRAVING

! Because of manual processing of the glass trophies,
template may slightly
differ from the final product.

Diagram of trophy C043-31. It features a large diamond-shaped body and a trapezoidal base. Both parts have a central white area labeled "engraving area". A red line outlines the external shape of the glass. A double-headed vertical arrow indicates the distance from the base of the diamond to the top of the base's engraving area. A red arrow points from the "external outline of the glass - TEMPLATE" tip to the red outline. A grey arrow points from the "laser engraving area" tip to the grey area within the diamond. A black arrow points from the "distance of the lowest inscription from the base 20 mm" tip to the double-headed arrow.
